

**Exhibitor Show Badge/Passes
2012**

The exhibitor badge/pass is exclusively for use by exhibitors. For SECURITY reasons it is important that you control their use.

Please do not use them to admit guests. Identification may be requested by show security and admission denied if they are being used inappropriately.

The badge/pass is valid for the entire show. Please take care not to loose them. Lost badges can be replaced at the show office at a cost of \$30.00 each.

Your badge/passes will be ready for pick up when you check-in at the show office. Your company name will be printed on them. **If you would like your employee's names added, you must legibly complete and return this page to us by Feb 10th.** Business cards will neatly fit into the badge holder if you prefer.

The badge/pass is the **only** credential that will allow admittance into the show before regular show hours. In other words, without a valid badge/pass in your possession, you will not be allowed into the show before it opens to the public. **There are no one-day exhibitor passes.**

Each 10'x10' booth exhibitor will receive one badge/pass for each employee, up to (4) passes. If additional badges are required, please contact Fred Hall & Associates with your request.

We do offer a VIP/Guest pass. This is a one-time use pass that allows you to invite a guest to the show. You will be provided (2) VIP/Guest passes for each 10x10 booth space. For example a 10x40 booth will receive (8) VIP/Guest passes.

Subject to approval, a limited quantity of additional VIP/Guest passes may be purchased at the show office by exhibitors at the reduced price of \$8.00. **No refunds will be issued for unused VIP/Guest passes.** VIP passes are show specific, please specify Long Beach or Del Mar when purchasing.

Passes are issued on a controlled basis. Badge/passes or VIP Guest passes will not be mailed to you in advance. For special handling contact our office early.

Custom Exhibitor Badge List
